

Special Procedures – Midwest Haywood

Angiogram Aortic Arch, Cerebral, & Both Upper Extremities
Angiogram Celiac, SMA, IMA & Gastroduodenal Arteries
Angiogram – Lower Extremities
Bronchial Artery Arteriogram and Embolization
Angioplasty Renal, Iliac, Popliteal & Stent Placement
Venous Angio & Stent Placement
Arterial Embolization
Aspiration and Injection of all Joints for Therapy and Diagnosis
Injection of all Joints prior to MR and CT Imaging
Vertebroplasty
Ureteral Stent Placement (Antegrade)
Transhepatic Internal Biliary Drainage, Dilatation, and Stent Placement
Venogram
Varicocele Embolization
PICC Line Placement
IVC Filter Placement
Arterial and Venous Intravascular Thrombolysis
Cyst Injection, Drainage and Sclerosis
Intravascular Retrieval of Catheters
Declotting Thrombosed Implanted Catheter
Exchange of Thrombolysis Catheter
Appendiceal Abscess Drainage - CT
Breast Core Biopsy - Ultrasound
Breast Cyst Aspiration - Ultrasound
Stereotactic Breast Biopsy
MR Guided Breast Biopsy
Galactography
Needle Localization of Breast Masses-Mammo and US Guidance
Celiac Nerve Destruction - CT
Celiac Plexus Block - CT
Cholecystostomy - CT
Epidural Steroid Injections
Nerve Root Block Cervical, Thoracic, Lumbar-CT
Facet Joint Therapeutic Injections
Sacroiliac Therapeutic Joint Injections
Bursal Therapeutic Injections
Percutaneous Gastrostomy/Jejunostomy Percutaneous Tube Placement
Abscess/Cyst Drainage Chest, Abdomen, Pelvis, Extremities - CT
Biopsy (Core)/Fine Needle Aspiration of Bone, Neck, Chest, Abdomen, Pelvis, Lymph
Nodes and Extremities-CT
Lymphocele Drainage and Sclerosis - CT

Lumbar Puncture - Diagnostic, Therapy, & Chemo. Infusion
Myelography-Cervical, Thoracic, Lumbar
Nephrostogram
Nephrostomy
Pancreatic Pseudocyst Drainage - CT
Paracentesis-US Guidance
Thoracentesis-US Guidance
Peritoneal Placement of Permanent Drainage Catheter for Paracentesis
Pleurodesis
Thrombolysis of Loculated Pleural Effusions
Pneumothorax Tube Insertion
Thyroid Core Biopsy - Ultrasound
Thyroid FNA Biopsy – Ultrasound
Thrombin Injection of Pseudoaneurysms-US
Radiofrequency Ablation of Tumors
Lymphoscintigraphy Injections prior to Breast and Melanoma Lymphadenectomies-Nuc Med
